वैदे मातरम्

Dear Friends,

Welcome to the Enriching, Expanding and Exciting World of **ULTIMATE**. It is more than merely a brand name, rather it is a commitment along with a dedication to serve our esteemed customers with a wide array of high quality, user friendly, multifunctional and practical products. Ultimate provides best in class product experience to the smart home makers. In fact **ULTIMATE** is proven to be the true kitchen companion for all its users.

We always believe in presenting our sincere commitment for quality products to cater to various demands of our cherished customers. All our products are manufactured in well equipped factories by highly skilled workforce. We constantly strive to maintain extremely high quality standards at all our manufacturing facilities and always strive to bring superior products. Affordable pricing along with its presentation in attractive and uniform packaging have been pivotal in the market acceptance of all **ULTIMATE** products.

The company is committed to achieve substantial and sustainable growth going forward by way of expanding its product portfolio in fact it is the fastest growing range of popular and best selling products. Year after year **ULTIMATE** gradually developed into a broader range of most iconic products to place itself among the India's most progressive and most trusted kitchenware brands and continues to earn your accolades and appreciations. We have been subsequently concentrated on brand building and strengthening competitive positioning in the market.

During the last three decades Gayatree has become a name to reckon with in kitchenware and homeware market in India. We have launched various successful products in the market under our flagship premium brand **ULTIMATE** and received your unflagging support. We thank you all for patronizing & trusting our kitchenware and home ware products for over three decades now.

- **GAYATREE PARIVAAR**

To brighten your kitchen **ULTIMATE** offers a wide range of high quality, user friendly, multi functional and practical products. **ULTIMATE** provides best in class product experience to the smart home makers, in fact it is your true kitchen companion.

We promise to keep serving always at our best as ever and will continue to live by the success mantra of our company – that has held us in good stead all through
